im2330 / im2830

We made it simple, so you can be more productive.

Are you looking for a small MFP with BIG features that will print, copy, scan and fax? Are you ready for advanced connectivity for your workgroup environment? The im2330 and the im2830 not only offer all of the multifunctional basics you expect from larger MFP's but they also come fully equipped with networking and security features once reserved for more expensive models. Take a closer look at the im2330 and the im2830 from Océ and enjoy a smaller footprint with the very latest technology functioning as tabletop or workgroup MFP.

Features

- Four Output Finisher options
- Optional Print Controller includes PCL6/PS3
- 256 MB Memory Standard Copier/Printer
- 40GB HDD Standard Copier/Printer
- Scan 50 opm at 400 x 400 dpi
- Private & Scheduled Printing
- LDAP
- HDD Scrambler (optional)
- HDD Erase (optional)
- Print Resolution: 2400x600 dpi (with smoothing)
- Copy/Print Speed: 23/28 PPM (Letter)
- STD/Max Paper Capacity: 1,200/3,700 sheets
- Warm-Up Time: Approx. 25 Seconds
- Toner Yield: 23,000
- Main Memory: 256 MB/40GB HDD
- Control Panel: Half VGA Tilttable LCD Touch Panel, Key Tc
- Original Sizes: 5.8" by 8.25" to 11" by 17"
- Dual Cassettes: 2 x 550-Sheet Cassettes
- Energy Star Tier 2
- Network Interface: 10BASE-T/100BASE-TX, USB

Optional Scan:

- 150 dpi, 200 dpi, 300 dpi, 400 dpi, 600 dpi
 - 50 OPM (Letter)
- File Format: TIFF-MMR, TIFF-S, PDF, JPEG*

Optional Fax:

- Super G3, G3
- 33.6 Kbps
- 500 MB (HDD), Reception 120 MB (HDD); 40GB+ (HDD) Back-Up

Optional e-Filing:

- Touch Screen Control Panel or Client PC
- 1 Public Box, 200 Private User Boxes

Additional Options:

- 2nd Fax Line
- Plain Stand
- Wireless LAN Adapter w/Antenna
- Bluetooth Module w/Antenna

im3512/im4512

Digital copier/printer/scanner/facsimile

The im3512 and im4512 securely deliver high impact results so that you can effectively improve performance, no matter how large or small your job might be. The professional grade output from these devices is superior, allowing you to easily produce the documents that your business relies on. With a straightforward, flexible and cost-effective design, the possibilities are endless.

im3512/im4512 features include:

- 35 ppm and 45 ppm copy and print
- Large 3,100 sheet maximum paper capacity
- Desktop Document Manager tool for editing, integrating and distribution of both paper and electronic documents
- Dual scan paper feeder
- Advanced finishing including saddle stitch
- Network print and scan
- LDAP
- Scan to email, SMB, FTP, desktop, HDD
- 33.6 Kbps fax
- Internet fax
- Direct PDF and TIFF print
- Cover and page insertion
- Printer administration utility
- Data encryption
- HDD data overwrite

*Features described on this sheet may require additional options

im3530/im4530

Copier/Printer/Scanner/Fax

Multifunction made simple
Now modular and more versatile for the expanding workspace

Are you doing everything you can to stay competitive in today's marketplace? At Océ, we are constantly looking for new ways to help your business thrive. The im3530 and im4530 are easy-to-use, advanced imaging solutions that can give your busy workgroup or mid-size office a new edge in handling document workflow. We've made it simple for you. We know that if we can improve communications, increase productivity and safeguard your critical data, then you're ready to meet business demands. The im3530 and the im4530 are modular in design and value driven. They are easy to connect, configure and grow with your business, and you can feel confident about the return on your investment.

Features

- 35/45 ppm copy/print letter
- 256MB/40GB HDD
- 266MHz Processor
- 600 x 600 dpi (w/smoothing)
- Scanning 150 - 600 dpi
- Max Monthly Volume 120K/150K
- Max Paper Capacity 3,700 Sheets
- Toner Yield 20,000 Impressions
- Optional RADF
- Output Options
 - Job Separator
 - Offset Catch Tray
 - Single Position Staple Finisher
 - Multi-Position Staple Finisher
 - Multi-Position/Saddle Stitch Finisher

- Scan to Email (LDAP)
- Scan-to-FTP
- Scan-to-TWAIN
- Scan-to-Internet Fax

Fax Features

- Super G3 MH/MR/MMR/JBIG
- 240MB Transmission, 120MB Reception, 40GB HDD Backup
- 2nd Fax Line (optional)
- Group Dialing:
 - 200/Group
 - 400 Destinations/Group

Security Options

- HDD Overwrite
- Scrambler Board
- Authentication (NTLM, LDAP, kerberos)

Connectivity Options

- 10/100 Base T NIC
- Full Speed USB
- Wireless LAN 802.11g
- Bluetooth Module

Print/Scan Enablers

- 400MHz Processor
- 2400 x 600 dpi
- PCL6/PS3 Emulation
- Proof Print
- 50 opm
- Scan-to HDD or Network Folder

Océ VarioLink™ 3622/4222/5022

The Océ VarioLink® 3622/4222/5022 are highly productive, versatile B&W multifunction printers backed by Océ award winning sales and service. Customers interested in full-featured office solutions now have a black and white design counterpart to our existing color MFP devices. These easy to use MFPs come standard with copy and scan functionality and have versatile configuration possibilities including finishing options, add-on print and fax functionality and advanced security features, to make these MFPs perfectly suited to be part of an office workgroup fleet.

System Features

- 1 GB RAM, standard
- 600 MHz Processor
- Copy & Network Scan standard
- Copy Speed: 36/42/50 ppm (letter)
- Scan Speed: up to 70 ipm
- Duplex at full speed: 36/42/50 ppm
- Scan to email, FTP, SMB, USB
- Scan file formats: PDF, Encrypted PDF, TIFF, XPS (w/HDD*)
- Scan & copy resolution: 600 x 600 dpi
- Max Paper Capacity 5,600 Sheets*
- Standard 80 sheet ARDF
- 150 sheet multi-bypass tray
- 2 x 500 sheet universal drawers
- 30 - 60 second warm-up time
- ENERGY STAR® compliant

Scan functions with optional HDD*

- Scan to HDD (Scan to user box)
- Network TWAIN

Connectivity

- 10/100/1000 Base TX NIC, standard
- Front-facing USB memory stick port for scanning; requires HDD for print*
- USB 2.0 local interface, optional*
- No parallel port
- Operating System Support: Windows® 2000, XP, Server 2003, Vista, Mac® 9.2, Mac® OS 10.2, 10.3, 10.4

*Check full specifications to properly configure options.

Print Controller options

- Optional Print Controller with PCL®6, PostScript® 3 emulation
- Optional 60 GB HDD (required for box functions and greater memory)
- Print speed: 36/42/50 ppm (letter)
- Print resolution: 1200 x 600 dpi equivalent with smoothing

Device options

- 2 x 500 sheet adjustable trays
- 2,500 sheet LCC (letter)
- Copy Desk
- 2,000 sheet Side LCT unit (letter)
- Floor finisher w/hole punch & multi staple
- Inner finisher – optional hole punch plus saddle stitch or just mailbin option attached
- Job separator option

Optional Fax Features

- Super G3 TX/RX - MH/MR/MMR/JBIG
- Optional 2nd fax line
- 1,000 Speed Dial Keys (2,000 w/HDD*)
- 200 One-Touch Keys (400 w/HDD*)
- Fax resolution: up to 406 x 392 lpi
- RightFax® compatible*

Security features

- SMTP, LDAP, network authentication*
- SSL/TLS encryption
- IP address filtering & port management
- Copy protect & secure printing
- HDD erase
- Optional HDD encryption kit*
- Optional biometric authentication*

im5530/im6030

We made it simple, so you can be more productive.

A modular design, the im5530 and im6030 offer highly developed functionalities in a single, smart and easy to use system. These MFPs support scan to email, FTP, SMB or the internal hard drive including the popular file formats of TIFF, JPEG and PDF. Faxing has moved upstream with full 33.6kbps communication and internet fax functions.

The im5530 and im6030 are highly versatile B/W MFPs with print/copy/scan/fax & finishing for mid volume environments.

Features:

- Print and Copy at 55/60 ppm
- Fast high-resolution scanning
- Two saddle stitch finisher options
- Create 60 page booklets
- Multi-position staple up to 100 sheets.
- Solid construction
- Four Universal paper drawers
- Tab stock capability
- Post engine cover inserter
- High yield consumables
- High Monthly volume capability
- Small footprint
- Excellent image quality
- Simple user interface
- Covers and Inserts
- Value and high ROI

im6020/im7520

Digital Copier/Printer/Scanner/Fax

We made it simple, so you can be more productive.

Océ is pleased to introduce two fresh additions to our "Multifunction made simple" line of MFPs. The im6020 and the im7520 have been designed with the idea that an ever-changing office requires a concept of "building blocks" to be ready and able to expand when necessary. High performance MFPs, the im6020 and the im7520 are flexible enough to offer print/copy/scan & fax including advanced levels of finishing and security.

At Océ, we understand document solutions. Whether your solution requires performance, productivity, reliability or securing your critical data, the im6020 or the im7520 can be configured to provide just the right combination to suit your needs.

Printer/Copier Features

- Print and Copy at 60/75 ppm
- Standard one-touch scanning at 75 OPM
- Scan-to E-mail with LDAP, Scan-to HDD, Scan-to FTP, Scan-to SMB, Scan-to Groups
- Print on Tab's using Visual Print Drivers for both PCL[®]6 & Postscript
- 80-page booklet making
- Internal 2/3 hole punching
- Z-fold and punch
- Letter Fold, In or Out
- Two Post Insertion Trays
- Support up to 12" x 18" paper
- Simple touch screen display
- Direct Print for TIFF files
- Manage, configure & monitor with web-based network utilities
- Full user and network authentication
- Secure printing with password protection
- HDD Erase
- Detailed user/account tracking

im7230/im8530

We made it simple, so you can be more productive.

The im7230 and im8530 are highly versatile B/W MFPs with print/copy/scan/fax & finishing for mid to high volume environments. These MFPs support scan to email, FTP, SMB or the internal hard drive including the popular file formats of TIFF, JPEG and PDF. Faxing has moved upstream with full 33.6kbps communication and internet fax functions.

Outstanding performance with precise intelligence -- the im7230 and im8530, all this and much more is now possible!

im8530
Better Buys
for Business
EDITOR'S
CHOICE
2007

Features:

- Print and Copy at 72/85 ppm
- Fast high-resolution scanning
- Two saddle stitch finisher options
- Create 60 page booklets
- Multi-position staple up to 100 sheets.
- Solid construction
- Four Universal paper drawers
- Tab stock capability
- Post engine cover inserter
- High yield consumables
- High Monthly volume capability
- Small footprint
- Excellent image quality
- Simple user interface
- Covers and Inserts
- Value and high ROI

im9220

Digital Copier/Printer/Scanner

We made it simple, so you can be more productive.

Océ is pleased to introduce the im9220, a virtual "power" toolbox for your office. A high performance MFP equipped with versatile print/copy/scan & finishing, it's ideal for large workgroups or high volume environments.

The im9220 offers everything you need to be productive whether it's high-speed output at 92 ppm or handling demanding high volume applications. It delivers full in-house production functionality when and where you need it. And inside the im9220, every feature is elevated to an advanced level: security, scanning, finishing and printing. It doesn't get any better than that!

Why Océ?

It takes two at Océ. It's just that simple. We offer "best of class" products and expert sales and service support. With a national team of over 2,300 sales and service personnel, and a 24/7 Digital Help Desk and Diagnostic Center, we aim high for customer satisfaction across the board.

Features

- Print & Copy & Scan at 92 ppm/opm
- One touch Scanning for Scan-to E-mail, Scan-to HDD, Scan-to FTP, Scan-to SMB, plus a new Scan to Group function.
- Direct Print utility for PDF & TIFF files
- Print on 12" by 18" paper from the bypass tray and from the large size LCT.
- Print on tabs with either the PCL® or PostScript Print Drivers.
- Insert two different pre-printed stocks not just as a front or back cover, but anywhere within a job.
- Control specific sections of your print job, with subset stapling and the ability to override 1-sided/2-sided printing.
- Create up to 80 page trimmed booklets
- Letter Fold up to 3 sheets.
- Advanced Security, protect and delete data in memory & HDD

fx3000

Fax/Printer/Copier/Scanner/ PC Fax
33.6 Kbps Modem

Multifunction made simple

The fx3000 by OCE Imagicistics is a fast, secure, feature abundant, entry level multifunctional system that improves workflows and improves the bottom line. This is very different from plain standalones and other MFP's as the fx3000 offers space saving, penny wise solutions like network convenience, color scan, high speed copying and cutting edge fax technology.

Features

- Auto Duplex
- 32/544 min/max MB Memory
- Output tray page sensor
- Scan 600 x 2400 dpi
- Secure Print & Fax
- Feature Lock
- LDAP
- Scan to color
- Remote Useage Counter
- Print Resolution: 1200x600 dpi
- Copy/Print Speed: 30 PPM (Letter)
- STD/Max Paper Capacity: 300/550
- Warm-Up Time: Approx. 18 Seconds
- Toner Yield: 7,500*
- Original Sizes: 5.8x5.8" to "8.5 by 14"
- Dual Cassettes: 2 x 250-Sheet Cassettes
- 50 sheet ADF
- Flatbed platen plus doc feeder

Scan

- Scan Resolution 600x2400 dpi
- Color and monochrome
- OCR
- Scan to Email, Scan to FTP, and Scan to Network folder

Fax Features

- Super G3 JBIG compression
- 33.6 Kbps
- One touch dialing (40)
- Broadcast (390 locations)
- Internet fax
- Network fax
- PC fax

Additional Options

- 250 page cassette
- Fax Stand
- 128/256/512 MB memory upgrade

* Based on printed pages of 5% coverage

Océ cx2100

Built for demanding workgroups, the Océ cx2100 is an all-in-one office assistant featuring vibrant, full-color laser output. Document management becomes easy and businesses no longer have to sacrifice speed, quality or space because the Océ cx2100 offers all the features of larger MFPs.

Standard features

- Copy, print, scan, fax
- Auto-duplexing
- 50 sheet document feeder
- 250 sheet letter/legal drawer
- 50 sheet multi-purpose feeder
- Built in USB direct interface
- PictBridge digital camera interface

Print features

- 21 ppm monochrome and full color
- Maximum 2400 x 600 dpi resolution
- Standard NIC with PCL6 and PS3 PDLs
- 300 MHz processor
- 128 MB memory std.
- 640 MB max memory
- 10/100BASE-T Ethernet
- USB 2.0 host
- 802.11b/g wireless

Copy features

- 17 ppm monochrome and full color
- 1200 x 600 dpi resolution
- Multi-copy up to 99
- Auto duplex copy
- Legal size document copy
- Reduce/enlarge: 25% to 400% in 1% increments

Scanning features

- Monochrome and full color
- Scan to email, SMB (PC File or Network folder), FTP, USB Memory device, Internet fax
- File Formats: PDF, JPEG

Fax features

- 33.6Kbps Super G3
- 40 one touch dials
- 300 speed dials
- 20 group dials
- PC fax
- Internet fax
- Full color and monochrome faxing

Additional features and options

- LDAP address lookup
- Secure function lock
- Optional 500 sheet letter/legal tray
- Optional device stand
- 128, 256, 512 MB available upgrades
- ScanSoft PaperPort 11SE document viewer and OCR software by Nuance

Océ cm2522/cm3522

For businesses looking to build a total document workflow solution, the Océ cm3522 provides a solid foundation. This versatile MFP communicates in vibrant full color and cost effective black & white and delivers advanced technology and functionality to users and administrators via simple, easy-to-use device interfaces. Equipped with the latest communication technology, exceptional flexibility and advanced security, the cm3522 provides a total solution for next generation business environments like yours.

Standard features

- 25 ppm B/W, 25 ppm full color
- 35 ppm B/W, 35 ppm full color
- Built-in print/scan controller
- Processor 1GHz
- 60GB HDD, 1,024 MB RAM
- Up to 70 ipm scan speed in full color
- Auto-duplexing
- Standard 100 sheet ARDF
- 150 sheet multi-bypass tray
- 2 x 500 sheet universal drawers
- Less than 30 second warm-up time

Print/copy functions

- Copy control
- Automatic image stabilization
- Energy save mode
- Standard PCL6 and PS3 PDLs
- 10 /100 /1000Base-T
- High speed USB 2.0
- Remote device management
- Print status notifier
- 1 - 9,999 copy quantity

Device options

- 2,500 sheet LCC
- 2 x 500 sheet trays
- Plain stand
- Saddle stitch finisher
- Inner finisher
- Hole punch kit
- Job separator

Standard scan functions

- TIFF, PDF, Compact PDF, Encrypted PDF, JPEG file formats
- Scan to email
- Scan to FTP
- Scan to SMB (scan to desktop)
- Scan to HDD (Scan to user box)
- Network TWAIN

Optional fax features

- Super G3 transmission/reception
- JBIG, MMR, MR, MH compression
- PC Fax
- Auto dialing
- Mailbox (private)
- Forward to email
- Memory/quick dial
- Optional 2nd fax line

Security features

- SMTP, LDAP, network authentication
- SSL/TLS encryption
- HDD erase
- IP address filtering
- Copy protect
- Port management
- Secure printing
- Optional biometric authentication

cm4521/cm5520/cm6520

Technologically advanced and incredibly versatile, the Océ cm4521, cm5520 and cm6520 are ideal multifunction solutions for your high-volume office environment. These versatile color MFPs are true all-in-one office solutions that alleviate the need for redundant devices such as separate copiers, printers, scanners and fax machines. Whether your data is black & white and/or color, the cm4521, cm5520 and cm6520 have been designed to facilitate the flow of information throughout your organization.

General Features

Print/copy speed

- cm4521: 45 ppm B/W, 45 ppm full color
- cm5520: 55 ppm B/W, 45 ppm full color
- cm6520: 65 ppm B/W, 50 ppm full color
- Standard Built-in Print/Scan Controller
- Processor: 867 MHz
- 60GB HDD, 1,024 MB RAM
- Up to 70 opm scan speed in full color
- Standard Auto-Duplexing
- Standard 100 sheet ARDF
- 6,650 sheet maximum paper capacity
- Less than 30 second warm-up time

Print/copy functions

- Copy Control
- Automatic Image Stabilization
- Energy Save Mode
- Standard PCL6 and PCL5c and PS3 PDLs
- 10Base-T/100Base-T/1000Base-T
- High Speed USB2.0
- Remote Device Management
- Print Status Notifier
- 1 - 9,999 copy quantity

Standard scan functions

- TIFF, PDF, Compact PDF, Encrypted PDF, JPEG file formats
- Scan to email
- Scan to FTP
- Scan to SMB (Scan to Desktop)
- Scan to HDD (Scan to User Box)
- Network TWAIN

Optional fax features

- Super G3 Transmission/Reception
- JBIG, MMR, MR, MH compression
- PC Fax
- Auto Dialing
- Mailbox (private)
- Forward to email
- Memory/Quick Dial
- Optional 2nd Fax line

Security features

- SMTP, LDAP, Network Authentication
- SSL/TLS Encryption
- HDD Erase
- IP Address Filtering
- Copy Protect
- Port Management
- Secure Printing
- Optional Biometric authentication

Océ VarioLink™ 4550p/3550p

Are you looking to control your printing costs without sacrificing productivity? With the VarioLink 4550p/3550p devices, you can obtain the ability to increase your business's efficiency and print documents when you need to.

Performance

- Print speed: 35 ppm
- Time to first page: less than 9 seconds
- Processor: 533 MHz
- Print resolution: 1200 x 1200 dpi
- Duty cycle: up to 5,000 pg./mo.
- Duplex (two-sided) printing (standard on VarioLink 3550pd, option on VarioLink 3550p)

Productivity solutions

- Web-based printer management
- Direct PDF printing: supports PDF v1.5; requires hard disk drive.

Compatibility

- Operating systems: Windows Vista®; XP (Home, Professional); 2000 (Workstation, Professional, Server, Advanced Server – SP4 or later); NT® 4.0 (Workstation, Server – SP6 or later); ME; 98/98 SE; Mac® OS 9.1 and higher/ 10.1 and higher; Unix® (Sun® Solaris® 8, 7, 2.5; HP®-UX 11.0/ 10.20); Linux (Redhat 6.x)
- Emulations: PCL® 6 (XL); PCL 5e; Adobe® PostScript® 3™; Epson® FX-850; PDF (1.3), TIFF; HP-GL/2

Connectivity

- Network interface: 10/100Base-TX
Internal Ethernet print server
- Local ports: USB v2.0; parallel; RS232-C Serial

Memory

- Standard: 128 MB
- Maximum: 640 MB
- Memory storage: optional 40 GB hard disk drive

Resident typefaces

- Scalable: 89 PCL fonts and 136 PostScript fonts
- PCL bitmap fonts: OCR-A/B
- Bar codes: USPS, UPC-A/E, code 39/128

Paper handling

- Paper input: 400 sheets standard with 150-sheet upper tray and 250-sheet lower tray
- Optional 550 sheet 2nd and 3rd paper trays
- Paper types: letter, legal, executive, statement, index cards, A4, A5, A6, B5 and custom sizes; C5, DL, Com 10 and monarch envelopes
- Paper size: 3" x 5" min. to 8.5" x 35.4" max.
- Standard paper output: 500 sheets face-down, 70 sheets face-up
- Paper Weight: 16 lb. bond – 80 lb. cover (60 – 216 gsm)

Océ VarioLink™ 2650cp

The Océ VarioLink™ 2650cp are reliable, security-rich, high quality, easy to use and affordable color printers. They are convenient network color printers, perfect for Mid-sized workgroups.

Performance

- Print Speed (Color/Mono): 26/32 ppm
- Time to First Page: As fast as 9 sec. Color; 8 sec. Mono
- Processor: 500 MHz PowerPC CPU
- HD Color Printing Technology
- Print Resolution: 1200 x 600 dpi
- Duty Cycle: Up to 5,000 pg./mo.
- Duplex (2-Sided) Printing (Standard on VL2650cpd, option on VL2650cp)

Productivity Solutions

- Web-based Printer Management
- Direct PDF Printing: Supports PDF v1.5; requires hard disk drive.

Security Solutions

- Encrypted Secure Printing (requires Hard Disk Drive): PIN/password-enabled; AES 256-bit encryption; Secure Erase (DOD5220.22-M compliant); Message Authentication Code (MAC)
- Network Security: IP address filtering, MAC address filtering, SNMP v3, SSL/TLS, IPP over SSL/TLS, email authentication, Protocol lockouts

Cost Containment Solutions

- Job Accounting Software: Tracks color/mono pages by individual or department
- Color Access Policy Manager: Allows control over color printing access and converts unauthorized color print jobs to black & white

Compatibility

- Emulations: PCL® 5; PostScript® 3™; IBM® PPR; Epson® FX
- Operating Systems: Standalone and network – Windows® Vista®, XP, Server 2003, 2000; Mac® support – Classic OS 9.x and higher, OS X 10.2 and higher

Connectivity

- Network Interface: 10/100Base-T Internal Ethernet Print Server
- Network Protocols: TCP/IP, NetBIOS, NetWare, Ethertalk
- Local Ports: USB v2.0; Parallel

Memory

- Standard: 256 MB
- Maximum: 768 MB
- Memory Storage: Optional 40 GB Hard Disk Drive

Resident Typefaces

- Scalable: 87 PCL fonts and 136 PostScript fonts
- PCL Bitmap Fonts: OCR-A/B
- Bar Codes: USPS, UPC-A/E, Code 39/128

Paper Handling

- Paper Input: 400 sheets standard with 300-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray;
- Optional 530-sheet 2nd Paper Tray
- Multi-Purpose Tray handles overhead transparencies, envelopes, mailing label stock, and banners

Océ VarioLink™ 3050cp

The Océ VarioLink™ 3050cp are reliable, security-rich, high quality, easy to use and affordable color printers. They are convenient network color printers, perfect for Mid-sized workgroups.

Performance

- Print Speed (Color/Mono): 30/32 ppm
- Time to First Page: As fast as 9 sec. Color; 8 sec. Mono
- Processor: 700 MHz PowerPC 750CL
- HD Color Printing Technology
- Print Resolution: 1200 x 600 dpi
- Duty Cycle: Up to 5,000 pg./mo.
- Duplex (2-Sided) Printing (Standard on VL3050cpd, option on VL3050cp)

Productivity Solutions

- Web-based Printer Management
- Direct PDF Printing: Supports PDF v1.5; requires hard disk drive.

Security Solutions

- Encrypted Secure Printing (requires Hard Disk Drive): PIN/password-enabled; AES 256-bit encryption; Secure Erase (DOD5220.22-M compliant); Message Authentication Code (MAC)
- Network Security: IP address filtering, MAC address filtering, SNMP v3, SSL/TLS, IPP over SSL/TLS, email authentication, Protocol lockouts

Cost Containment Solutions

- Job Accounting Software: Tracks color/mono pages by individual or department

Compatibility

- Emulations: PCL® 5; PostScript® 3™
- Operating Systems: Standalone and network – Windows® Vista®/Vista x64, XP Home/XP Professional/XP x64, Server 2003/Server 2003 x64, 2000; Mac® support – Classic OS 9.0/OS X 10.2 and higher; UNIX®; Linux

Connectivity

- Network Interface: 10/100Base-T Internal Ethernet Print Server
- Network Protocols: TCP/IP, NetWare, Ethertalk
- Local Ports: USB v2.0; Parallel

Memory

- Standard: 256 MB
- Maximum: 768 MB
- Memory Storage: Optional 40 GB Hard Disk Drive

Resident Typefaces

- Scalable: 80 PCL fonts and 136 PostScript fonts
- PCL Bitmap Fonts: OCR-A/B
- Bar Codes: USPS, UPC-A/E, Code 39/128

Paper Handling

- Paper Input: 630 sheets standard with 530-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray;
- Optional 530-sheet 2nd and 3rd Paper Trays
- Multi-Purpose Tray handles overhead transparencies, envelopes, mailing label stock, and banners

GOOD SERVICE DOESN'T

Océ

Océ Imagistics is an established leader in document imaging and document management solutions serving the office and public sector markets – dedicated to satisfying customers just like you.

History of Océ

The roots of Océ, which has its headquarters in Venlo, the Netherlands, reach back to 1871, when Venlo chemist Lodewijk van der Grinten started research on the manufacture of butter-coloring agents. Océ continued to produce this product until 1970 when the butter coloring business was sold to the multinational company Unilever. By that time, Océ had become a world leader in the manufacture of reprographic machines and supplies.

Océ Imagistics History

Océ is one of the world's leading suppliers of high quality and innovative products and services for professional printing and document management services. Imagistics International Inc. has been a leading direct sales and services provider of document imaging solutions for the past 39 years serving the USA, and the past four years serving the U.K. and Canada.

In January 2006, Océ established Océ Imagistics, a new division that includes the office business of Imagistics International and the office and Digital Printing Centers (DPCs) business of Océ North American Operations. With a full range of hardware and software products that cover the entire spectrum of imaging needs, Océ Imagistics dares to reach beyond what other imaging companies do.

Océ Imagistics

Imagistics high-quality nation-wide sales and service organization and its solid product portfolio for document printing in the office is paired with Océ's equally strong product lineup for mid-to high-volume printing and document management and workflow software for an unbeatable combination.

Whether you need small copy solutions for the desktop, networked multifunction workgroup and departmental devices, or production printers for your in-plant or central reprographic center, Océ Imagistics is poised to serve you - locally, nationally and abroad.

Copy Systems History

Copy Systems was founded in 1985 as a full service copy machine and printing equipment dealership. The company has had continuous growth and in June of 2004 we joined the Imagistics International family. We are now able to offer our customers the feel of hometown service with the backing of an international network of complete sales and service professionals.

Copy Systems operates the largest service organization for digital copiers and fax machines in Arkansas. Copy Systems employs 50 people with resident technicians in various areas around the state.

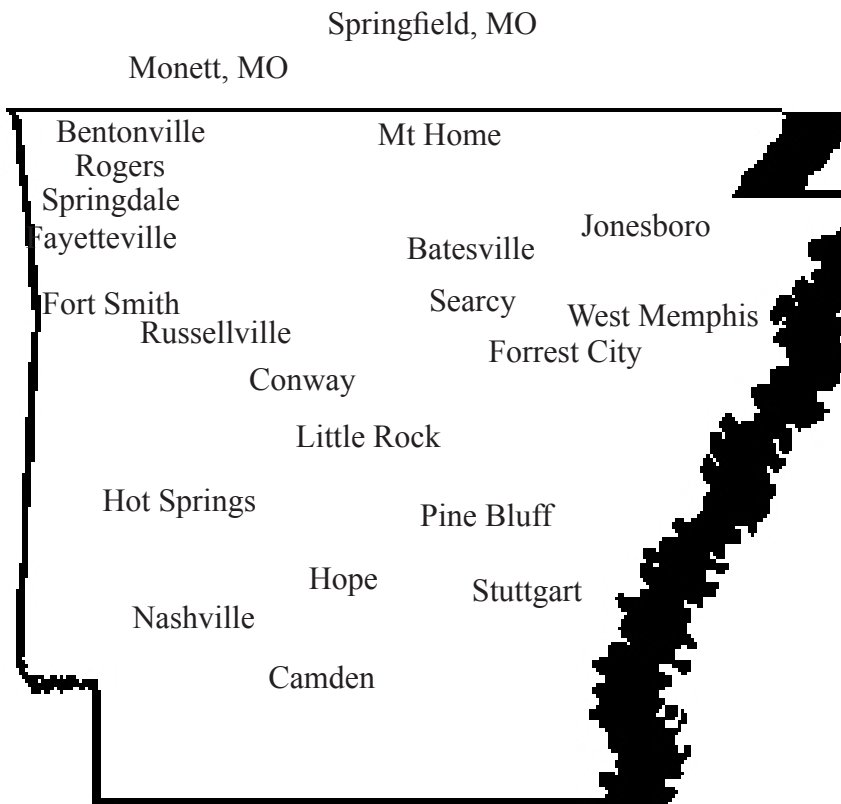

A National Reach with a Local Feel

When it comes to customer support, you get the best of both worlds with Imagistics. Fast, local response from highly trained professionals who understand your business and your market as only a neighbor can.

Plus the security of a national network of 1,400 service technicians and support personnel to answer the tough questions fast – and give you all the advantages of a worldwide organization staffed by industry experts.
